

## STUDIO ART SCHOLARSHIP RENEWAL AND NEW APPLICANTS FOR 2024-2025

Dear Art Students,

It is time to start planning for the potential renewal of your Studio Art Scholarship. Every year, the Art and Design Department assesses the progress of its scholarship holders. In order to renew your scholarship or apply for a 2024-2025 Art Scholarship, we ask that you submit the following:

1. **Portfolio:** The portfolio should contain **five to seven examples of your best original, recent personal artworks or art projects during your coursework at NCC**. In the case of first-year or recent transfer students, you can choose to include artwork from your senior year of high school. Include in your portfolio **a title page with descriptions** of the artwork that include title, media, size, and date.
2. **Resume** of school, employment, and especially art experiences.
3. **A PDF document (250 words)** with a brief description of any previous involvement with Art and Design Department including any of the following:
  - a. Participate in ART related clubs either through attendance or playing a leadership role. Art and Design related clubs are Design Agency, Animation Club, D.R.A.W. Club, SLIP (Student Lost In Pottery).
  - b. **Attend exhibitions** at Meiley Swallow Hall, Oesterle Library, and Schoenherr Gallery
  - c. **Any Art Volunteer Opportunities, Virtual or In-person Attendance to Lectures, Art/Design Work Submissions:** Support the department by helping with the exhibitions, studio organization and cleaning, photographing events, participating on social media, and attending events like field trips and visiting artist lectures/workshops.

Place all your materials in a folder on [noctrl.box.com](https://noctrl.box.com) and share the folder with Stella Parthenios [sparthenios@noctrl.edu](mailto:sparthenios@noctrl.edu) by **midnight Monday, February 19, 2024**. All students have access to this site using their NCC username and password. Accepted file formats include PDF, JPG, MOV, AVI, MP3, MP4, SWF. Please do NOT submit original files such as .psd or .ai. Make sure all your materials and filenames include your full name.

Please note only one scholarship application in the Art and Design Department is allowed per student. If you are applying for Studio Art Scholarship, you may not apply for a Graphic Design Scholarship as well. Please choose according to your portfolio contents.

Please consult any of the Art and Design Department Faculty if you have questions about the art and design scholarships. We are looking forward to reviewing your portfolios and relevant materials.
